Insert Time	Message
31-Jul-2000 14:51:56	The NYISO is reserving hours beginning 100 - 400, 900, and 2000 in the 30 July 2000 Real-Time market to verify prices. Hours beginning 800 - 1900 and 2100 - 2200 are being reserved in the 31 July 2000 Day-Ahead market to verify prices as well.
31-Jul-2000 15:09:59	The NYISO announces that the price reservations for the 31 July 2000 Day-Ahead market have been removed.
31-Jul-2000 15:10:59	The Real Time prices have been updated in the MIS for 07/27/2000 in hours (22,23,)
31-Jul-2000 16:27:28	An error was made on Sunday for the reservations on 7/29. The reservations were 9, 12, 16, and 19-21. At that point in time they should have been 9, 12, 16, 17, and 19 - 21. 17 is the only hour that wasn't reserved that should have been. The NYISO apologizes for the mistake in the posting, but feels that it does have the obligation to reserve questionable price and correct them as necessary.
31-Jul-2000 18:13:46	Notice: The Average Real Time prices have been updated in the MIS for 07/27/2000 in hours (22,23,)
