| 20-Aug-2002 07:46:31 | The Real Time prices have been updated in the MIS for 08/15/2002 in hours (13,14,15,16,17,18)                                                                                                                                                                                                                                                                                                                                               |
| 20-Aug-2002 15:40:21 | Upon a re-examination of the 13 August 2002 DAM prices, LECG and the NYISO have determined that the posted prices are inconsistent with the posted schedules for the committed units. The NYISO is reserving hours-beginning 0-23 in the 13 August 2002 Day-Ahead Market. Price corrections for this day will be processed shortly. The NYISO apologizes for any inconvenience that this decision has caused.                               |
| 20-Aug-2002 16:21:36 | NYISO is reserving hours beginning 22:00 and 23:00 in the August 19, 2002 Real-Time Market to verify prices. NYISO is reserving hours beginning 0:00-2:00, 5:00-21:00 in the August 19, 2002 Real-Time Market to evaluate GT out-of-merit pricing issues. NYISO is reserving hour beginning 10:00 in the August 19, 2002 Hour-Ahead Market to verify locational reserve prices. Prices in the August 20, 2002 Day-Ahead Market are correct. |
| 20-Aug-2002 21:15:39 | The Real Time prices have been updated in the MIS for 08/16/2002 in hours (12,14,17)                                                                                                                                                                                                                                                                                                                                                        |
